DECAL ERASER WHEEL

22659

- Quick and easy removal of decals, pinstripes, bumper stickers, reflective tapes etc. from glass, urethane, acrylic paints and OEM painted surfaces
- Effectively removes adhesive tapes and glue from the back of mouldings
- Longer lasting and wider than a solid disc for faster job completion
- Toothed wheel works cooler causing less smearing
- Universal arbor for use with electric or pneumatic tools
- **Best results at 1,500 – 3,000 RPM.**
Max. 4,000 RPM

Application

Clean the surface thoroughly. Apply light pressure only. Start at the top of the decal and move side to side. For faster results use the entire width of the wheel, do not tilt on an angle.

AUVECO NO.	Size	Arbor Size	Max. RPM	Unit Package
