AuvecoPak Assortments

The most popular AuvecoPak items as a customizable alternative to our AuvecoPak Retail Merchandisers when retail space is limited.

You choose the best way to display the product. Each bagged item can be placed on a pegboard wall using your own hooks or on display racks available for purchase

AP-A128:

Two packs each of 128 popular AuvecoPak items
Items listed on next page

AP-B128:

Two packs each of 128 popular AuvecoPak items
Items listed on next page

AP-AB256:

Combination of AP-A128 & AP-B128

All assortments come with labels that contain part number and UPC-A bar code to place on panel back-up boards beneath each hook for easy reorder. All item reorders come in four bag strips that are equal to 1 unit.

AuvecoPak packages feature all the necessary application and descriptive information in trilingual verbiage (English, Spanish and French-Canadian).

AP-RACK-2:

Two display racks with graphics and hooks to hold 128 AuvecoPak items

Individual rack measures:
6-1/2" (width) x 17-1/2" (front to back) x 44-1/2" (height)

AP-A128 or AP-B128 would require one AP-RACK-2.
AP-AB256 would require two AP-RACK-2.
